

Mertie Kay Swangstu

August 10, 1943 - June 14, 2021

Mertie Kay Swangstu, 77, of Beloit passed away peacefully on June 14, 2021 at University Hospital, Madison.

Born on August 10, 1943 in Viroqua, WI, Mertie was the daughter of Cyrus and Lois Fortney. Growing up as an only child, her horse was her best friend. She attended Viroqua High School, where she met the love of her life, Roger Swangstu. She and Roger were named Homecoming Queen and King in 1960.

After graduation, Mertie attended La Crosse State College and earned a degree in elementary education. She married her high school sweetheart, Roger, at Good Shepherd Church in Viroqua on April 2, 1966. The young couple moved to Beloit after Mertie was recruited to teach in the school district there.

Mertie was a beloved first grade teacher for 31 years. She shared her passion for learning with thousands of children during that time. She helped each of her students feel successful and special. After retirement, Mertie continued to work with children by mentoring at Robinson Elementary School. Her former students and their parents remember her as an extraordinary teacher.

Mertie was a member of the Beloit Education Association and Our Savior's Lutheran Church. She volunteered for Meals on Wheels and enjoyed participating in Beloit's Civic Theatre. She loved to sing, often singing for weddings of friends and family members. Mertie also had an enduring love of animals, especially manatees, and she donated generously to organizations that worked to save them. Watching Hallmark movies and reading were among her favorite pasttimes.

Mertie was a kind and gentle person, who loved spending time with her family and many friends. She spread joy to whomever she met. She is fondly remembered for her warmth, generosity and sense of humor.

Mertie is survived by her husband, Roger, her two children, Jason and Alexis (William) Mosher, and four grandchildren, Storm Swangstu, Tieraney Swangstu, and Cyrus and Waylon Mosher. She was preceded in death by her parents.

“ I moved in 1st grade around Christmas time to Illinois. I'll always remember her. I actually decided, today to look her up online and it's upsetting that after 25 years of not seeing her, that she'd past away 2 months ago... I remember before I left, she handmade me a Christmas reef with candy all over it in front of the whole class. It was amazing! I'm sure she lives a great life. My condolences to family and friends.

“ I'm so sorry for your terrible loss. I just saw this notice and I feel so bad that missed Dear Mertie's funeral. She was always so good and kind to our family. We just recently spoke on the phone and talked about how she made big bunny footprints out of paper to place throughout the house when we visited her parents' house as little kids. Mertie was an Earth Angel throughout her whole life. I hope and pray that you feel her with you always in your heart. Praying for comfort.

“ I was also a student of hers in 1st grade. I respected and loved her so much, I never wanted to leave her class. When she sent me a graduation card I was so touched I cried. I've thought about her my entire life, and will remember her always. Rest in Peace, you left a positive mark on so many.

“ Roger and Family, I am so sorry for your loss. Mertie was one of my favorite customers when she shopped at the store. She was always happy and considerate of us. She made my day many times with a hug and a smile.

“ Mertie was one of those people that just radiated love. We were fortunate to have her as a wonderful teacher of our two children, who adored her. She was a teaching colleague at Robinson and a friend always. Mertie lived by the mantra "Be a little kinder than is necessary" and we were all the recipients of that kindness. Thinking of her now in glory, free from pain and seeing the face of her Lord.

“ To Mrs. Swangstu:

You were my first grade teacher; you were my ray of sunshine every day. I vividly remember your kindest, sincerity and love of teaching. You showed compassion to all of us and were always there - always; even when I graduated high school, a card from Mrs Swangstu showed up. Keep shining Mrs. Swangstu; you're the best - Janet Steuck

“ Dear Roger, Jason, Alexis and grandchildren,
Mertie made family where ever she went. We often talked about me having four siblings and her an only child. Yet, Mertie's friends and her colleagues became her family.
She was so inclusive of those she met, so positive and willing to be supportive. I will miss you Mertie, our Friday visits had become a habit.
Love,
