“ I just found out about Al's passing. Sorry we missed the service. We have so many fond memories of Al...he requested us when we were replacing our patio door and found the wooden threshold rotten out. He fashioned a new one in his workshop. The ladies at the bank sent him a birthday card which we all kissed with 🗨️. He cut them out and came into the bank with them to redeem his kissed! Another one...he gave Wendy a "hungarian love coin" on a chain. She was around 10 years old. Found out later it was a Japanese yen! Love that guy. ❤️
