“ He will always be "uncle" AL to me even though we are cousins, which is funny to me since he was 30+ years older to me. I'm a hugger but Uncle AL would always hug me first, no matter how long it had been since we last saw each other. I will always remember his smile and that he laughed often, a lot actually! He had a positive attitude that was inspiring. He liked to tease "aunt" Wanda which I always liked to watch her reaction. Uncle AL gave honest advice which I respect. He would help anyone- even if it woke him up in the middle of the night. He was a gentle giant (tall) and I will miss him but I will see you again Uncle AL and I look forward to your hugs. Love you. ❤️
