“ Tony and I met in 1958 when we both lived on 66th and Halsted St on Chicago's south side .and our friendship lasted for life.We both moved around a lot and sometimes lost touch ... but he always found me ha ha and for that I'm blessed . We reminisce about our lives and years gone by we laugh and cried and called each other brother. We talked about history, politics, religion and of course sports.It's easy to agree on many things however, I learned more from him and about him when we disagreed and he would calm me down and taught me we could disagree and still like and respect each others opinion and still remain friends.....It was hard to get mad at Tony and if you were fortunate enough to have met him you had a friend for life. Maybe he was not star on the field but he was a SUPERSTAR in life
Goodbye my old and dear friend you will never be replaced.
REST IN PEACE,

Please accept our deepest sympathy and condolences on the loss of Tony. He was such an inspiration with his kind and gentle nature. I always enjoyed talking to him regarding history. He always impressed me with his knowledge of the Alamo. I will miss Tony and all of our talks.

You will be in our thoughts and prayers.

“ *Tony and Dianna. Beautiful couple. Many years ago I went to the same church with them. Tony with his way always put people at ease. I saw this dynamic duo many years ago. Didn't know it was the last time I'd see Tony. They came to the church for a reunion with Pastor and Mrs Arnell. Wow Tony I know many hearts are breaking 💔. But at the same time I see you in heaven with Jesus. Pastor and Mrs Arnell greeting you. Send love to my Dad and brother up there Tony.*

“ I will always cherish a memory of Brother Tony concerning his telling me about the Alamo. But a special moment five years ago after my wife went Home to be with Jesus Tony came up to me after the church service and gave me a big hug (which he wasn't much for hugging men) and told me that he wished he had the Joy and energy I had after such a loss. I will always remember that moment in time and will see Brother Tony again one day in Heaven.
