“ I remember Aunt Betty as a quite, caring, and very nice lady. I last saw her when I visited Uncle John and picked up a wood secretary that had been my grandmothers and at Uncle John’s funeral. Sorry I had not seen her in many years and did not know where she was.

“ Aunt Betty was a beautiful person. She and uncle John had us over when we were young and spent time with us. She was always very happy and kind to us My mother appreciated her always sharing her grapes with us. My sincere condolences to the family. God bless you

“ Sorry to hear of Betty's passing. She and uncle John were able to share many years and experiences together. I was privileged to be asked to stand with Barbara at John and Betty's Wedding. Having left the area a few years later, I only was able to visit at reunions and visits back to see family. As I recall, card games were an important activity for both Betty and John. My condolences to family members.
