“ We are so sorry for the loss of your mother.

*Although we've never met, I wanted you to know that my husband and I adopted Rusty from the Humane Society this past Friday. Rusty joins our 13 year old affenpincher Moxie. It is obvious he came from a loving and caring home. Once in our house he hopped up on the footrest of my husband's La Z Boy and hasn't moved since! I think he's found "his spot". I hope it brings you comfort to know that Rusty will be well loved and cared for in the future, too.*

*May our Lord Jesus Christ bring you peace in this difficult time.*

“ I met the Koldens 44 years ago and Charlene was very good to me as I growing up. She taught me to drive and even allowed me to use her car to take my driving test. My memories of her will always be happy ones from playing playing Atari to playing dice games. She never liked to lose. My thoughts and prayers will always be with her and she will be missed.
