

Danielle Ossmann

April 15, 1987 - May 21, 2024

Danielle (Kemnetz) Ossmann, age 35, passed away peacefully from natural causes at Saint Catherine's Hospital in Pleasant Prairie, Wisconsin on May 21, 2024 with her father and close friend by her side.

Danielle was born in Wisconsin Rapids, Wisconsin on April 15, 1987 to Allen Porter and Dawn Pray, although she spent much of her life in Beloit, Wisconsin. After graduating from Beloit Memorial High School in 2006, Danielle carved her own path in life and allowed love to lead the way. She was a hopeless romantic with a heart of gold who never stopped the pursuit of love.

Danielle was a skilled Sudoku player and a master at Candy Crush, beating puzzle book after puzzle book and passing game level after game level. She enjoyed playing bingo and other games with friends, hanging out with her dad, paint by number projects, and collecting dolphin figurines and could often be heard singing along to country music and enjoying conversations with those she loved. Her humor, banter, care, and love will be deeply missed.

Danielle is survived by her father (and best friend), Allen Porter, mother Dawn (Joey) Pray, grandmother Judith Porter, and sisters Kylie and Melina Vander Muelen. She is predeceased by grandparents Doris Kemnetz, Delmar Kemnetz, and George Porter.

Services will be held at the chapel at Central Christian Church on June 22, 2024 at 10:00 am. In honor of Danielle, we would like guests to wear either purple or clothing with dolphins on it.

In lieu of flowers, the family would like donations to be made to the Muscular Dystrophy Association.
