“ *She was and always will be the most kindhearted person I know. She took me in when times were hard at home and I can't thank her enough. You will always have a special place in my heart.*

“ *I'm so sorry for your loss. Deb was a wonderful person. I remember one time we traveled to Florida for work together. One night when we were leaving the store that we had been at all day, about 2am, we got to the car and all of a sudden I heard this blood curdling scream "There's a critter on the car!" It was just a gecko, but it's not like we had daily sightings in the mid west. But man did we laugh about it later. I have several fond memories involving Deb.....she was fun to work with!*
