“ I have many fond memories of Mrs. Stuckey while growing up on Crestview St. She was a wonderful lady and I always felt welcome in her home. My thoughts and prayers are with her family.

“ There are years of memories to share. Della is very dear to my heart. Her home was always a welcoming, safe place to be. There was always plenty of coffee, a listening ear, and fun to be had. I am so fortunate that Della shared her life with me. I am so thankful that I had the opportunity to spend time with her in her final days, so that I could tell her what she meant to me and thank her for being a part of my life. Thank you Tammy for keeping me informed and sharing your time with her on Sunday afternoon.

“ *From Ruth Mortensen of Madison. Della and I have been friends since elementary school at Frank Allis on Buckeye Road and were neighbors as youngsters. We renewed our friendship after an 8th grade graduation reunion. I, along with my sister, visited her in Janesville. We have been writing back and forth ever since. I will miss her letters. My sympathies to her family.*

“ *I can remember visiting with Mrs. Stuckey at the gatherings at Dan and Tammy's house. She was so nice and reminded me of my mom so we would just sit and watch everyone else and make jokes. She has a kind heart and good sense of humor which was passed on to Tammy and her kids.*

“ I hadn't seen Della in a long time but really thought a lot of her. I feel blessed I got to make the memories with her and my best freind Tammy so many fun times that most people could never Imagine . I feel blessed she mad her home a part of mine every weekend from Friday night to Sunday some 30 years ago and We had a connection we shared the same kind of humor and understood each other well. she thought I was pretty funny and that just kept me going even more..To the Stuckey Family you all have a special place in my heart I love you all and wish I could take this hurt away but if your Mom wasn't the greatest soul that she was you would have no hurt. She is in Heaven with her Love again your Father what a Cherished life she lives on in.
