

Donna Mae Colwell

June 8, 1962 - November 22, 2021

Donna Mae Colwell, 59, born June 8, 1962, passed away quietly into the night in the early hours of Monday, November 22, 2021 from a sudden heart attack.

She is preceded in death by her parents, Luella (Ebert) and John Colwell from Beloit. Donna is survived by her four sisters Debbie Mueller (George) of Friendship Adams, Arlene Williams (Eddie) of Beloit, Karen Colwell of Beloit, Brenda Alf (Gary) of Rochester, MN and numerous nieces and nephews.

Whether rooting on her Chicago Bears or going to the casino every now and again, Donna always tried to put her full excitement into each endeavor she felt worthy. Nothing, however, could top the enjoyment she found amongst her friends and family.

Donna's sense of humor was only matched by her heart. She could easily make you cry with laughter and simultaneously make you cry with her generosity. She was always willing to help those in need, and supported multiple charitable organizations.

A former employee of Market USA until their closure, she then remained employed with Beloit Health System for the last 12 years. Both of these occupations brought on lasting friendships that Donna was able to enjoy and cherish.

She will be truly missed by all the lives that she touched.

Funeral service will be at 1:00 p.m. on Wednesday, December 1, 2021 at Rosman Funeral Home, with visitation from 11:00 a.m. until the time of service. Memorials may be made in Donna's honor to the Wounded Warriors Project or the Shriner's Children's Hospital, both organizations were very dear to her heart.

“ Wow, I know this is months later but I am just now seeing this and am gut punchedly blown away.... Donna was always a smiling face when walking onto her floor sitting at the reception desk at the Clinic with a smile and warm spirit. I was there not too long ago for an appointment and was wondering in my head where is Donna today ?
Condolences to the family she leaves to cherish her memory! (Classmate Karen)

“ RIP Donna. You will be very missed at the clinic. I worked side by side with Donna at the clinic at the desk for 4 years. We were just not coworkers, we also became good friends. She was so thoughtful at Xmas and birthdays. We also liked to talk football. I am a Packer fan, so you can imagine our talks on Mondays. I'm so sad to hear of her passing.
