“ I am beyond saddened to hear of the passing of "Liz", she was like a mother to me back in my teenage years and took care of me as if I was one of her own. I will never forget her and the entire Bartle family for how they helped shape and guide me into the woman I am today. Her son Paul is my best friend and my love and prayers go to Paul and his sister Brenda and their entire family. My sincere condolences go to her family and friends at this difficult time.
