“ *AUNT EVELYN – AN ODE*

*Rounded at 100 now 98  
The mid-nineties  
Undeniably you are  
Exactly immaculate!*

*For three scores and ten  
Conditionally and scripturally  
You were promised and learned  
With class and production  
More greatness and gracefulness  
Aunt Evelyn had to share.  
Reflecting the many, many,  
Burdens she did bear.*

*Our historian and librarian  
Our archivist too  
It is unimaginably  
What we would do  
Without a solid soul  
Just like You.  
You Go Girl!*

“ It is a pleasure to be able to call this woman my family. We enjoyed drinks and shared hot wings just 2 years ago. I would've never imagined having such a wonderful time and great conversation with a 92 year old so full of life and a great spirit. We spent a short amount of time together but it was a blessing and I will cherish the memory always! You're were and will always be an inspiration to me, Aunt Evelyn! Rest well angel.

“ *A limb has fallen from the family tree.  
I keep hearing a voice that says, “Grieve not for me. Remember the best times,  
the laughter, the song.  
The good life I lived while I was strong. Continue my heritage, I am counting on  
you.  
Keep smiling and surely the sun will shine through. My mind is at ease, my soul is  
at rest.  
Remembering all, how I truly was blessed. Continue traditions, no matter how  
small.  
Go on with your life, do not worry about falls  
I miss you all dearly, so keep up your chin. Until the day comes, when we gather  
again.*

*I love you Grandma
