

Evita Lopez

November 4, 1960 - January 9, 2026

With heavy hearts, we announce the passing of our beloved sister, Evita Lopez. She found peace on January 1st, 2026, at the age of 65 following complications due to an illness.

Evita was a deeply sensitive and loving soul. Her life was marked by compassion, creativity, and a quiet strength known best by those closest to her. She had a deeply religious spirit. Though she faced profound challenges with her mental health, she met them with courage.

She was a cherished daughter, sister, and friend, and her love will forever live on in the memories of those who knew her. Evita taught us empathy, patience, and the importance of kindness—especially toward those who suffer silently.

She is preceded in death by, Marcos and Aurelia Lopez, our brother David Lopez and nephew Michael Lopez.

She is survived by Rene and Nancy Lopez, Gilbert and Heidi Lopez, Patty and Jesse Dominguez, Lori and Mark Turkoski, Arthur and Patty Lopez and other nieces and nephews who will miss her dearly and carry her memory forward with love.

We take comfort in knowing that Evita is now at peace, free from pain, and

resting in the embrace of God's eternal love.

The family has chosen a private service to be held on February 20th at St. Joseph's Cemetery. In lieu of flowers, the family kindly requests donations be made in her memory to a mental health organization or charity of your choice, in hopes of bringing awareness and support to others facing similar struggles.

“ *I remember growing up with Evita! Such a beauty and was so much talent. I used to envy her. I remember I told her that my grandfather loved Marilyn Monroe and the next thing you knew she did a portrait of Marilyn Monroe that look like it came right out of a magazine! She will be deeply missed!* ”
