“ *My dear Frankie-There are so many great memories how do I choose just one. We go back over 30yrs. So I'll select the one that is most recent when I was home this summer. Hadn't been home in a long time. Gosh I missed you! We reminisced about the good ole Granary days & took pictures with old friends that I'll cherish forever! Was a true blessing I was able to make it there to spend that time with you. We definitely will see each other again. So you save me a pool game & maybe set me up with some action! Have a drink with our Moms & give Zebby a big hug for me. You'll definitely be missed sweetie. You may be gone but you will never be forgotten. Sending many hugs & lots of love my dear friend* 💙
