“ I met Gary sometime in the early 1990's through Beloit Field Archers. Shot archery with him for many years and then worked with him at Genencor as well. I am a better person for knowing him. Always enjoyed his company, willingness to help others and to share knowledge. I think of him often. He will truly be missed.

“ Heartfelt condolences to Gary's family - brother Leon whom I remember from our childhood. Gary, Roger Burns and myself were close friends in the mid to late '50's growing up together on Vine Street. I lost touch with Gary after Jr. High @ Aldrich when the family lived around the corner from the school. Rest in peace my friend.
