Footprints In The Sand

One night I dreamed I was walking along the beach with the Lord.

Scenes from my life flashed across the sky,

In each, I noticed footprints in the sand.

Sometimes there were two sets of footprints:

Other times there was only one.

During the lowest times of my life

I could see only one set of footprints,

so I said, "Lord, you promised me,

That you would walk with me always.

Why, when I have needed you most would
you leave me?"

The Lord replied, "My precious child,
I love you and would never leave you.
The times when you have seen only one set of footprints,
it was then that I carried you."
