“ *To the first man that ever loved me. I was so blessed to have unconditional love all my life. He took in lots of friends n family when they where down for a minute. He worked 2 jobs to support his family n never said a word of how tired he was. I will treasure the fact that he took me on vacations all over the United States. I was blessed to have him for a Father until I'm in your arm again Daddy you are my sunshine love you*

“ I will never forget, being in FL in the white sand and Linda and I realizing we had white craps all over our feet, we both ran and jumped on your back Jim and you carried us both all the way to land, laughing the whole way. I will never forget how you would sleep in your chair until Linda and I would change the channel and you would wake up immediately.. LOL.. and I will never forget you always called me Carrie Schaffer, not just Carrie!!! You were a wonderful man that treated me like a daughter,, I love you and will miss you terribly!!
