“ *Jim will be missed. We had many laughs over the years. One of the memories that always comes up was his old truck. When he turned to the right fluid ran on the floor boards and I said what in the world. He just looked at me and said lift your feet up. RIP Jim and my deepest sympathy to the family.*

“ *Jim was a good neighbor and friend for years in Minocqua. He liked playing with our mini doxie Augie.
We remember how he liked fishing and riding in the pontoon boat on lake Minocqua. He also enjoyed spending time with his buddies playing golf and bowling. He occasionally would show the younger trap younger how to shoot 25 of 25 with his old Model 12 Winchester.
Jim was a good man and he will be missed.*

“ *My Uncle Jim, I remember him as a charismatic full of energy guy! He was also very kind & always helped me gather enough money to pay my speeding tickets, not telling my Dad (Ronald) till the 3rd ticket made The Beloit Daily News, NUTS!! I had to promise to try to stop speeding/racing, yeah we are Rollette's! Uncle Jim understood, one Gear Head to another! My Mom (Arlene) said that Jim was great with most customers but when really angered he was also SO smooth that with a big smile on his face he could tell them to go to hell, how to get there and they'd never even know they'd been told! He will always be remembered! I'll bet he's fishing now. My sympathy to all of you, renee Rollette*
