“ Carolyn and family. I am so sorry to hear of Jeff's passing. I never got to have the race with him. But God did I love joking with him and getting a laugh from him on who would win.

He was one of a kind and he truly stated that you were the "LOVE OF HIS LIFE" The love you both shared was without a doubt present when you both looked at each other!

My dearest and deepest condolences with hugs and love to offer you comfort at this time.

“ Jeff was a great neighbor for many years. Our boys were raised together on our dead end street. I remember Jeff out playing basketball with the boys. He loved being outdoors. We will miss his keen sense of humor and smile. His favorite saying "well Rome wasn't built in a day". He was lied back and would have a cold beer in hand on those hot days. Out washing his cars on every nice day. I am so sorry Carolyn! We are here for you always! Hugs my friend. Love Phil and Laurie
