

Jeni Keli

July 29, 1986 - January 5, 2025

Jeni Ann Keli, age 38, was born July 29th, 1986 and transitioned to heaven on January 4th, 2025. Jeni graduated from Plymouth High School in 2004. Jeni enjoyed spending time with friends and family. Her laugh was contagious and she was always kind hearted and caring. Jeni was an amazing artist and enjoyed spending time working on art with those she loved especially her sister, Kelly.

Jeni cared deeply for others and tried to make those around her feel loved and everything would be alright. She adamantly believed in just doing the best you can and taking things one day at a time. Jeni appreciated the little things like coffee dates, sitting near Lake Michigan to enjoy the view, and spending time in the sunshine. As long as she had a loved one by her side, any time could be wonderful. Her last years were spent doing many of those things with Kelly and her niece and nephew.

Jeni will be missed and will forever be in our hearts. She is preceded in death by her sister Courtney, her father Roger, and grandparents. Jeni is survived by special friend Jacob Smith, her children Jocelyn, Nataly, and Pedro, her mother Doreen, and sister Kelly Kroeplien (Joshua), niece Korey, and nephew Liam.

Kelly Kroeplien is planning a memorial service to be held in spring honoring Jeni's life.

“ I will always remember her smile when we used to stop over and she liked listening to what the adults had to say.

“ *My best memories of Jeni are when we found reasons to laugh together and there was always a reason no matter how silly it seemed. We loved just sitting together and reminiscing about being kids and we dreamed up things to do in the future. I can still hear her voice in my mind and hope it never fades. She always called and said "Hi! It's Jeni!" She also always called my kiddos "baby butt." We know she loved us and we love her always and forever.* ”
