### Remember Me

Remember me when flowers bloom  
early in the spring

Remember me on sunny days in  
the fun that summer brings

Remember me in the fall as you  
walk through leaves of gold

And remember me in the wintertime  
in the stories that are told

But most of all remember each day-  
right from the start

I will be forever near for I live within your heart

“ JoAnn, I have so much to say, in so little room to do so. These last few months have left me with some great memories on how much your friends and family truly loved and cared about you. The cards, gifts, flowers, and little memories they shared with you, will last a long time in my heart. You brought so much to all of those who you shared your life with. I promised you that I would keep an eye on you and now you are in heaven to keep an eye on me. My thoughts and prayers go to your son, daughter, step daughter, grandchildren and siblings. No words can express how grateful I was that you allowed me to be with you. I think of you often my dear friend. Until we meet again. RIP JoAnn.
