July 25, 1955 - September 30, 2021

Judith M. Richardson, 66, of South Beloit passed away Thursday, September 30, 2021. Born July 25, 1955, in Edgerton, the daughter of Ralph and Betty Jane (Edwards) Cornell. “ Judy was such a kind hearted person, and fun to be around! We will always remember the great Times we had at the cabin, Soberfest, Cranberry Fest, Anderson Garden’s, the drumming and coaching sessions! We laughed a lot and shared so much, as we trudged the road of Happy Destiny together, for a season. So thankful God allowed our paths to cross❤️. RIP Judy, and our sincerest condolences, and prayers for acceptance, peace, and healing, for all that are grieving Judy’s passing! Love Always, Jodi and Barbie!

“ What a kind caring person Jude was, Because of this she took some undeserved hard hits in life. She never complained, she never condemned or never placed blame. She always had a smile for everyone and a kind hug ❤️ It's too bad everyone wasn't a "Jude" in life. We love you Jude, I'm sure you know and your pain is over. I know it's true, God only takes the good ones, until we meet again 💔

“ Judy was a very dear friend of mine. I've had the privilege of knowing her for over ten years. We had a special bond. We understood each other because we shared similar struggles. Judy was always kind and compassionate and loved everyone unconditionally. She always spoke with a caring and generous heart, and would go out of her way to help anyone. Judy and I shared many happy times together. We would have special tea times together while reading or just enjoying each others company and always ending with a prayer. Judy's love for our Heavenly Father was pure devotion in her everyday life. Her Christian faith and values kept her strong and made her a very humbling and loving person. She loved everyone, her family, and especially her children. I will miss her so very much. Rest in peace my beautiful friend...Betsy Larson 10-1-21

“ *she was such a wonderful person. She used to work the fishfry with me at marys and we had so much fun. I would tease her all the time and she would just laugh and be jolly all the time When i was going through a bad time she would talk to me and give me advice. She will be missed by many people. This world would be a better place if we had more people like Judy.*
