“ My Dear Friend Julie...knowing you for so many years. Our years working together, our days as Union Representatives, the years of watching Shane grow, you taking care of my granddaughters and great niece, and you baking my wedding cake! We have shared so much, but one thing for certain we have always been friends of heart...time could pass and we just pick up where we left off. You accomplished so much, you have touched the lives of many. Gonna miss you but you are now pain free. To Guy and Shane and Family...So many precious memories you have...may they embrace each of you. Prayers and hugs to all...Janet
