

Julie L Scoville

May 19, 1961 - April 6, 2024

Julie L. Scoville, age 62, from Blue Mounds WI, passed away unexpectedly April 7th 2024 with her son Shain Scoville and granddaughter Alexandria (Alex) Scoville by her side.

Julie was a devoted mother and grandmother. She was dedicated to all she considered family.

Julie had a passion for jewelry and cooking and has cooked for Ponderosa and the Grumpy Troll. Julie had a amazing green thumb and loved her plants. She also enjoyed drawing and different Arts & Crafts. She was a teacher in Mt. Horeb. She touched many hearts with no judgement because she understood we all have them low times.

One of Julie's favorite quotes were " A bushel and a peck and a hug around the neck."

Julie is survived by her daughter Angelika Scoville, her son Jarel Scoville. Her daughter-in-law Kristen Accentura. Her grandchildren Mason, Ezra and Jace. Her mother Lois Pierstorff and her brother Paul Pierstorff.

Julie would have wanted everyone to remember that "Tough times never last but tough people do."

There will be a celebration of life at a later date.

“ Angel and Jarel, I'm praying that The Lord of all comfort will draw near to you in your grief and unspeakable loss. Your mom had more than her share of sorrows and struggles, yet she tried to meet them with fortitude and a smile. I first met your mom when she was a toddler. Your Grandma Lois had brought her out to visit the Pierstorff farm. My border collie, Pal, did not take to strangers. I was therefore afraid that he would growl and maybe even nip at her. But, before I could look about for him, Julie was smiling and petting him. She had gentled the beast. Thereafter he watched for her visits. Maybe this says something about the way your mom met life's obstacles - by reaching out unafraid with a smile. I love you! - Uncle Gary

AS

I worked with Lois in Middleton. She always spoke about Julie and her family. I am sorry for your loss.

“ *My memory of my best friend would be the day we met in first grade and were like sisters she stayed at my house as much as i stayed at hers. We had our ups and also some downs but i was taken away at 15 to move to another state and even then when we got back in touch she sent stuff when i had my first child and the lollies she knew i loved i am so saddened that something so tragic could take away my one and only friend never had another friend after her. May she rest in peace.....shes in my heart forever*
