“ My name is Marilyn Hammock. I am Keat's niece. I was looking through old photo albums. It was 2009 and I was born. My parents took me to visit my grandparents and Keat. I was so small and Uncle Keat had never held a baby. You could tell when he was holding me. But looking at the picture made me smile. His grin, his teeth, the look in his eyes. His big hands holding me. His nose. All of him, was just a peaceful soul.
