“ So sorry to hear of Louis passing. I met him in 1975 when he lived on Prairie in Beloit. He was such a good guy. I moved away and we lost touch for many years and just today I decided to look him up. RIP my old friend

“ Yvonne, I send you my deepest sympathy for your brother Louie. We go back all the way to first grade and later in high school, we were fishing buddies. We took a trip out to the Mississippi River while still in high school. On one trip he took me to the emergency room at St Mary’s hospital with a fishing lure firmly attached above my right eye. We got many a laugh out of that one. We always made it a point to get together at our class reunions. Louie was a great friend and you could always count on him to be there for you. I had a really great phone conversation with him while we were in Florida, I will remember that call the rest of my days. I missed him at our class birthday celebration in July and I suspected he was having health issues. So again Yvonne, accept my condolences, Louie was one of a kind and I have lost a good friend and classmate. Rest In Peace Louie. Greg Palko

“ Yvonne, I will certainly miss texting with Louie, especially during the Christmas season when he would send me the Slovak greeting that all the brothers would say when we went to Baba’s house. May he Rest In Peace. Take care.

“ I knew Louie since Kindergarten which we became friends. That friendship lasted our entire lives. Growing up we spent a lot of times fishing, camping and doing some crazy stuff. I will miss our phone calls checking on each other. Louie was a great friend and will be missed
