“ Mama, you will be so missed but will remember the days when you were with us listening to your tapes, Judge Judy & Dr. Phil. We had so many wonderful days of shopping for our house here in LV and I would always seek your advice. The Hawaiian trips we shared were the greatest; shopping until we dropped. I called you our memory and little bag lady as you traveled from Karen's house to our house and to Robin & Bart's home sharing your love & wisdom. You will forever be in our hearts as we loved you so much.
