“ *Bonnie Peggy and Penny you have my
deepest sympathy in this hard time. Everyone
will miss Mark he was a great guy. I had a lot
of good scooter rides with him over the years.
I will never forget the time we raced home
from Dodgeville to stay ahead of a really mean storm. We made it
back to North freedom just ahead of it and sat in the bar and
watched it poor for an hour. You guys were great neighbors on Ellis
Ave. RIP Mark.*
