“ Marge did the personal and business taxes for the Simmons for over 50 years. I grew up watching Marge interact with my parents on these important issues. I learned from Marge an element that helped me in my personal life and also the business, personal integrity. Marge will always hold a special place in the Simmons family.

God bless,
James Simmons

“ Marjorie will be missed. She had done our taxes starting when she was doing the business from her home. She always had a smile and made the tax process a pleasure instead of a chore. Our thoughts and prayers are with the family. Thomas and Nancy Vance

“ We started going to Jackson Tax when Ed was with HR Block. And then they started in the basement of their home and we are still going to Jackson Tax - that would make 56 years! Spent many hours talking with Marge - about stuff! Not just taxes! Will miss her smile!
