“ Micheal and I met when I was 15 and he was 21. He must have just moved to Madison at ridge wood trace apartments. He was like a Big brother and helped me through some hard times during my parents divorce. I have great memories of Mike over many years. If any family would like to talk some time please reach out at joedoggie.13@gmail.com. My condolences to the family and so sorry for your loss. Take care! Eugene.

“ I last saw Uncle Mike in 2010 and there are three things that stand out in my memory: how much he loved his kids and grandkids, his big laugh and his deep resonant singing voice. One of my fondest memories is of Uncle Mike & my Mom (his sister Marietta) singing together. I look forward to hearing him sing again one day. I'm so glad that he had his children & grandchildren with him throughout his last days - my thoughts are with them today.

“ *My sincerest condolences to all family & friends of Michael! I only remember Michael from my childhood when we use to go visit our Aunt Sis. That's how I knew his mom, my mom's sister. I never knew her actual name. Just Aunt Sis. I also remember being infatuated with his sister Juanita when I was just a youngster. May you Rest In Peace Michael and I will pray for the repose of your soul.*

“ When we were kids we would always go to one of the Aunt’s or Uncle’s on many weekends to visit and party. Mike was one of the closest to my age and we always had a good time, he was a great guy. Unfortunately with school, jobs, military and marriages we lost touch with many cousins (and we had very many) in the early 70’s. I tried to look Mike up several times over the years but unfortunately time got away from me. He will be missed. Bill Brennan
