“ I'm sorry that I just found out that Randy had passed. He was a former classmate. We have been fortunate to have only lost a couple friends from our class thus far and each one is so very precious to the rest of us, as was Randy. I'm sorry that I missed attending his services. Please know that all your family has the deepest condolences of the Clinton High School Class of 1981 and we will be sure to remember him when we next gather for a reunion. Thoughts and prayers for Jo and all the family as you grieve the loss of your precious husband, father and grandfather.
