“ *May your hearts be filled with love & Peace in knowing that the loving hands of your mother and father are greeting their son with open embrace. He was a provider, protector, kind, loving, caring man. Occasionally he sung off key, but that never stopped him 😊. I offer humor as well as my deepest of love and prayers.*

“ *I'm so sorry to hear about Ed. My condolences to Pam and the family. I met Ed when I worked at Speedway back in 2008. He came into the store daily. We always loved seeing him. He always had a smile on his face and told us a joke or two. We always had a conversation about the Packers. He even gave another one of my co-worker a hard time because she was a Bear fan. I'm really going to miss him. Fly high Ed, you were definitely one in a million.*
