“ Fred E. Kopp (that's what Ronnie always called him) and I met Ronnie at the Town Club 30+ years ago and he turned out to be one of my husbands greatest friends. Fred will miss the time spent in Ronnies music room and running into him at their local watering holes or our early morning trips to Woodmans. I will miss his smiling face and the kiss on the cheek I received everytime he saw me. We will think of Ronnie often and the memories we have of him. RIP

“ Ronnie was a good friend when we were all teenagers in high school. He was the only one in our group that had a car and would give us all rides home from the Beloit Teen Center (sometimes making two or three trips). That was Ronnie...always looking out for his friends! Those were fun times! Later on we became co-workers at Fairbanks for the 20 years I was employed there. He was a hard worker and a loyal friend! Our hearts reach out to the family with love, sympathy and caring.
