"Our hearts are filled with memories, our eyes are full of tears. Our lives are filled with missing you, each day throughout the years. We pray you found the peace in death you couldn't find on earth. We hope we became the people you prayed for at our birth. Each Mothers Day your love lives on, in our hearts

“ To Sandy's family, I am so sorry for your loss. ❤️

Sandy has always showed me nothing but love and concern, she has been here for me and helped me through the most difficult times in my life. She has loved me and trusted me, and showed me that I could trust her in return. She always reminded me of who I am and always had a way of making me feel safe, like everything would be okay. She loved her boys with all of her heart, just like I love my children, and that passion we shared deeply.

Sandy, we both know that we have had to endure some painful losses, and we always tried to be strong for one another. I'm so sorry. I LovE YoU, so much. I miss you. I'm going to keep an eye on your son here on earth, and I'm sure you're keeping an eye on my son up above. I'll see you again friend. OxoxoxoX ❤️
