“ Shirley was such a kind, fun loving, hard worker. She always tried to be positive & upbeat!!

*I am so distressed that I will only be able to be at her service in "Spirit" due to a previous commitment to be a "ride" & support person for someone who is having a medical procedure.*

*A memory I will forever hold in my heart is my trip to Graceland. Shirley & I shared a love of Elvis. While there, I called Shirley from the Graceland grounds with Elvis music in the background. She was so tickled & I was so happy I could share that with her.*

*Fly high Shirley & rock with Elvis forever!!*

*R.I.P. Love, Sheila (aka SLWO ); your "special" little phrase for me.*

“ Shirley was such a fun loving, hard working gal. She always tried to keep an upbeat, positive attitude. The one memory I will always hold close to my heart is my trip to Graceland. Shirley & I shared a love of Elvis. I called her from there with his music in the background.

*She was so excited that I shared that with her. Fly high, Shirley!!*

*Now you can "rock" with the King forever. Love you my friend!!*

*Sheila ( aka SLWO ), your special words for me.*

*I'm so distressed that I can only be at your service in "Spirit", due to a previous commitment to be the "support" person & ride for a medical procedure.*
