“ I remember Susan's smile from High School. Though our paths have not crossed much in the past decades she will always be remembered. Sympathies and condolences.

“ Susie & I were the best of friends as we started out as neighbors when we were 2. My dad moved us to the west side of Beloit when I was 5. I hid in Mrs. Mussleman's cherry tree because I wasn't going there. Needless to say I started 1st grade @ Hackett school. I loved grandma & grandpa & her mother Marilyn. Kindergarten we were friends with Lori Douglas Venturini, Meg Schuster & others. Grandma was always hovering & she was strict. We loved her. She had a TV in the kitchen so she could watch her soap operas while she was making dinner. Susan had a big heart, we saw each other here & there over the years as we grew up & turned into women. I have loved Susan as one of my oldest life-long friends. May the peace that surpasses all understanding be extended to brother Daniel & his family.
