Timothy (Tim) Moore entered his eternal home in the early morning of November 22, 2025 at the age of 57. He had been at London Lodge Assisted Living Facility where he had been transferred to form home hospice care.

Tim began his life journey on March 26th, 1968 in San Diego, CA and ending up in Johnson Creek, WI, with his wife Kimberly. Tim was the eldest son born to Robert Moore and Catherine Winslow (nee Lange/Moore)

He is survived by his spouse Kimberly and younger brother Gregory (Kathleen) as well as other cousins and friends.

Tim is preceded in death by both his parents Catherine Winslow and Robert Moore, stepfather Stanley Winslow, and grandparents Edgar and Ruth Lange and Stella Moore.

Tim was a star basketball player in his earlier years and then turned his attention to music where he played both electric and acoustic guitar all the while being self-taught. He was the rhythm guitarist for a while for a local band

and also played at different venues. Most of his hobbies centered on music with record collecting as well as attending concerts. He even started interviewing different bands including European metal and podcasting through his broadcast called Midwest Metal Productions. He also enjoyed camping with his family when he was able and of course watching Packer Football games.

Tim will have a Celebration Of Life gathering, in the near future with family and friends coming together in honor of his life.

Special thanks to Rainbow Hospice and London Lodge for their care of Tim towards the end of his journey.

“ *This was shocking to hear, someone so young and gone too early. He was the best man at our wedding, and he and Dave were really close friends in high school. Unfortunately we lost touch when we moved north.*
