“ Very sorry for the loss of Tyler Kaech my nephew (the electrician). While I was living in Cottage Grove, WI. I would run into Tyler all the time in the piggy wiggly grocery store. We must have been on the same grocery schedule. It was always nice to see him, we talked sports and hunting. I'll never forget the work Tyler and his dad and I put in the electric power at our hunting property. It was a long hot couple days of hard work, Tyler lead the charge. He new what to do each and every step. He was sure a hard worker. We'll miss him for who he was and his work ethic. Rest in peace Tyler I'll never forget the time we had together.
