“ Aunt Vera was like a second mother to me. She was always there when I needed encouragement and she was never judgmental when I would screw up. I have her to thank for my wonderful wife Jean. Anna was trying to fix me up with a blind date and kept recommending girls Aunt Vera thought were not suitable. Finally Anna made a suggestion and when I looked at my aunt she was smiling and shaking her head yes. I am still married and in love with the girl Aunt Vera approved that day.

I have never known anyone who loved her children more than she did. She always saw that they stick together and protect one another. A gift they all still share. We will miss her.
