“ I'll never forget “Jammer” as we played on the same softball team in the early 70's. Jammer came to every game with his trademark 32 oz cup of Mountain Dew. He could hit the ball a country mile at the old Roosevelt field and once the ball passed the outfielder Jammer had a home run!
He was a big man with an even bigger personality with a kindness and warmth for all that knew him. He will be missed but not forgotten.

“ We are so sorry about Bill passing away and your loss. We used to go out to dinner with Bill. He was up for fish, a steak, chinese, he loved to be with people. Wherever we went people always recognized Bill and would stop and say hi. He was a happy man. Bill and Bob would bet every season on the Packer/Bear game. Bill usually won the \$5.. We're going to miss him....

“ I remember bowling pot games against Bill down on 4th street at the Gateway Lanes around 1958. Played softball against him for many years and pitched horseshoes with him. at the Beloit Horseshoe Club. He loved competition. He always had a smile on his face. RIP old timer.
